A close-up photograph of a car's interior, specifically the power fold 3rd row seat control panel. The panel is made of light-colored, textured plastic. It features two rectangular buttons with white icons: the left button shows a seat with an arrow pointing down and the letter 'L', and the right button shows a seat with an arrow pointing up and the letter 'R'. The panel is set into a larger, recessed area of the dashboard.

Powerfold 3rd Row Seat
