Extraordinary performance for extraordinary journeys

Menjadikan setiap perjalanan Anda istimewa dengan fasilitas terbaik di kelasnya. **Ke manapun Anda ingin pergi, All New Everest hadir, siap dan selalu menanti Anda.**

Adaptive Cruise Control with Collision Warning

Anda tidak perlu lagi bersusah-payah menyesuaikan *cruise control* dengan kondisi jalanan. Teknologi baru All-New Everest secara otomatis akan mengatur kecepatan mobil Anda. Apabila lalu lintas terpantau padat, maka mobil akan melambat. Sebaliknya bila lalu lintas lancar, mobil akan melaju sesuai kecepatan yang sudah diatur. Teknologi ini bahkan bisa memprediksi kecelakaan yang mungkin terjadi dan memperingatkan Anda dengan indikator lampu rem dikaca depan, serta secara otomatis mengaktifkan rem mobil.

Lane Keeping System

Saat menyetir terkadang Anda berpindah jalur dengan tidak sadar. Tapi dengan adanya Lane Keeping System yang dimiliki All-New Everest, Anda akan segera diperingatkan melalui getaran di setir kemudi. Dan bila Anda terus berjalan menyimpang, Lane Keeping System secara otomatis akan mengarahkan Anda untuk kembali ke jalur.

Water Wading and Ground Clearance

All-New Everest dirancang untuk membawa ke manapun Anda ingin pergi. Dengan jarak ruang 225mm antara Anda dan jalanan, membuat All-New Everest menjadi tinggi dan sangat handal di segala medan. Tambahan kemampuan untuk menerobos air setinggi 800mm, membuatnya semakin siap untuk segala keadaan.

SYNCTM Audio Sistem aktivasi suara

Sistem aktivasi suara SYNC™ 2 seperti telinga. Menghubungi keluarga dan teman cukup menyebutkan nama. Memiliki kemampuan menjawab panggilan masuk, membaca pesan, memainkan musik kesukaan Anda. Semuanya bisa dilakukan dengan tangan tetap memegang kemudi dan mata tetap di Jalan. Tambahan layar sentuh 8 inchi, dua lubang USB, SD card slot dan RCA akan memudahkan Anda terhubung dengan device favorit.

Active Park Assist

Anda tidak akan kesulitan untuk parkir paralel. Cukup dengan satu tombol, Active Park Assist akan mencari ukuran tempat parkir yang pas dan akan menyetir sendiri dengan otomatis. Yang Anda cukup lakukan cuma memasukkan transmisi, gas dan rem.

Panoramic Moonroof

Saat Anda pergi ke tempat outdoor yang indah, Anda tentu ingin menikmati suasananya meskipun Anda berada di dalam mobil. All-New Everest memiliki fitur electric panoramic moon roof yang luasnya hampir 50% atap mobil. Anda bisa menikmatinya hanya dengan menekan sebuah tombol.

3rd Row Power Fold Seat and Power Tailgate

Apabila Anda membutuhkan ruang lebih untuk orang atau barang. Kursi elektrik PowerFold dapat dilipat dengan mudah untuk memberikan ruang tambahan. Selain itu, tambahan fitur pintu bagasi yang bisa terbuka dan tertutup dengan menekan sebuah tombol, memudahkan Anda untuk memasukkan muatan berat.

*Spesifikasi produk disesuaikan dengan Negara masing-masing dan sesuai persediaan yang ada.
